

We are proud to offer this innovative, unique line of premium caskets. All styles of pet caskets we offer can be used as a casket/vault combination.

The "Traditional Pet Casket" has been producing a quality product since 1966. They are vacuum formed out of high-impact styrene plastic. They are available in eight sizes and 21 styles.

All units are constructed of strong, High-Impact styrene. The design and special sealant restrict seepage of water and the intrusion of air.

The "Wood Grained Pet Casket" offers an affordable, yet traditional way to lay a pet to rest. The look of a natural wood grain finish with the strength of polyurethane these caskets provide a durable, solid, and naturally air tight and water resistant enclosure, able to withstand pressure exceeding 360 pounds per square inch.

The Wood Grained Caskets are available in a variety of sizes, three finishes and includes a granite colored interior. A more formal interior, lovingly hand-sewn in fine crepe fabric and trimmed in lace, is available as an accessory.

The "Aristocrat Pet Caskets" pet casket is one of the highest quality pet casket/vault system available. All Aristocrat caskets include a vault using the Air-Seal System for a everlasting protection and seal of your pets casket. Aristocrat pet caskets are made from High Impact Polystyrene.

The Aristocrat caskets offer two fabric styles, Crepe which is the Regular Style or Velvet which is the Deluxe Style, both styles are available in White, Pink or Blue colored interiors.

### The "Traditional" Series Pet Caskets

Colors: All casket are almond colored except for Pastel Series which come in Pink, Blue or Silver.

Regular Style: Crepe covered pad and pillow trimmed generously with lace. Coverlet available at additional cost.

Deluxe Style: Richly fitted throughout with soft padding covered with crepe, skirted and trimmed amply with lace.

Combo Style: The interior is pink on one side, and blue on the other. It consists of a pad, pillow and coverlet. The pad, pillow and coverlet are trimmed generously with lace.

### The "Wood Grained" Series Pet Caskets

Colors: These caskets come in either a Medium Oak Wood, White Wood, or Silver-Gray Wood exterior.

Regular Style: Fully lined interior with a granite colored interior.

Deluxe Style: Fully lined interior with a granite colored interior and comes with a hand crafted egg shell coverlet which consists of a soft, cushioned center encircled by a fine crepe fabric. The cushion lays snugly in the casket and the attached liner is generously gathered to create a coverlet. The coverlet and accompanying pillow are trimmed in a delicate white lace.

### The "Aristocrat" Series Pet Caskets

Regular Style: The regular style caskets are fully lined with a soft white, pink or blue crepe fabric and includes a matching pillow. Crepe is a thin light fabric with a crinkled texture.

Deluxe Style: The deluxe style caskets are fully lined with a soft white, pink or blue velvet crepe fabric and includes a matching pillow. Velvet is a fabric with a thick close soft pile on one side.
