

## Memorial Marker & Urn

These weather proof polyresin Markers can be used as a repository for your pet's cremains or as a Memorial Marker. Either way, the Pet Memorial Marker & Urn will be a lasting tribute to your beloved family member. Included with each Marker is an optional 5" x 2" brass plaque ready to be engraved locally with your pets name, sentiment & dates for a tribute to your faithful companion.

If you would like for us to supply a UV stabilized modified impact acrylic engraved plate, see our NEW Engraved Plate option on back.

Shaped Like a Paw Print, Bone or a Round Step Stone this Marker will stand out in your garden or yard as a memorial to you beloved pet. The granite-look finish will gracefully age and the polyresin construction will withstand a lifetime outdoors.

Our Tombstone Pet Memorial Markers are crafted from linear low density polystyrene that gives the look of real granite stone. They are UV resistant and very strong and durable to many of the harmful conditions associated with the outdoor environment.

The Tombstone Pet Memorial Markers measure 9-1/2" Deep X 15" Wide X 12-1/2" High. The front has a recessed area that is 6-1/2" X 9-1/4" where the plaque is attached. The marker comes with a UV resistant personalized engraved brass colored plastic plate with black text. The marker is meant to be filled by the customer with sand, stones or any other item to give the marker some weight to prevent marker from being blown over or easily moved. Once marker is filled it will weigh approximately 45 lbs (+/-).
